Highlights

Improves gum health
This Philips Sonicare electic toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks. Giving a superior cleaning in between teeth and removes significantly more plaque to a manual toothbrush

Safe and gentle
Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

Patented sonic technology

Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Smartimer

2-minute timer on this toothbrush helps ensure dental professional recommended brushing time

Angled brush head neck
The uniquely angled brush head neck of this toothbrush head makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth

Naturally whiter teeth

The Dynamic Cleaning Action of this toothbrush and the direct broader contact with each tooth, has proven to remove everyday stains, to help keep teeth naturally whiter.

Three different cleaning modes
The three modes include a clean mode for an outstanding clean in 2 minutes. A sensitive mode for gentle yet thorough cleaning of the gums and a massage mode to stimulate the gum.

UV brush head Sanitizer
All-in-one sanitizing, charging and storage. The UV brush head Sanitizer helps keep your brush head free of bacteria. It kills up to 99% of bacteria and viruses.*

Easy-start program
Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience
